

# Spanish Delight

Our "Spanish Delight" vacation house is perfect for the smaller family! Featuring spacious living area with feature "Great Room", 2 double bedrooms and attractive full-length side porch "Spanish Delight" has it all. This luxury log house can be supplied by us and erected by our construction team at any location in Europe. Experience the warmth and ambience that only a log house can give. Our logs come from sustainable sources and our unique lamination process ensures the long life of the property.
